EXPERIENCE

Ocean Export Documentation Specialist
Page International, Inc.

September 2013 – May 2019

- Complied with INCOTerms, U.S. and global trade regulations, and Harmonized Tariff Classifications
- Accurately created, prepared, and distributed documents while adhering to strict deadlines
- Invoiced for ocean freight, freight forwarding services, and country-specific documentation
- Ensured all customers' concerns were investigated and resolved
- Provided professional correspondence to customers and team members
- Paid attention to detail to detect discrepancies on bills of lading and letter of credit documents
- Sent shipping instructions to ocean carriers using EDI networks

Billing Specialist
ADP

February 2016 – July 2016

- Performed daily financial transactions, including classifying, computing, posting, verifying, and recording accounts receivable data
- Updated account information to ensure client's billing address, contact information, and invoicing data were accurate
- Researched and resolved invoicing discrepancies by verifying contractual pricing and service terms
- Appropriately monitored invoicing exceptions and unique customer situations
- Analyzed trends in client's service units and invoicing amounts using Microsoft Excel
- Ensured all invoice processes were in compliance with client's contract, ADP's Code of Business Ethics, and Sarbanes-Oxley controls

Server
Locos Grill & Pub

February 2012 – April 2013

- Provided excellent table service and fostered guest satisfaction in a fast-paced work environment
- Met commitments and accepted accountability while being able to stay focused under pressure
- Increased sales by directing customers to restaurant specials

Administrative Assistant
Georgia Southern University, Network & Telecommunications

September 2010 – May 2011

- Managed billing and telecommunications information in Excel spreadsheets
- Created and distributed billing statements
- Organized documents according to the needs of administration
- Provided a high level of service and attention to customers
